

MWWC's Award of Merit

Criteria: The Award of Merit is given to a member of the Missouri Water and Wastewater Conference in recognition of outstanding leadership in the field of waterworks and/or wastewater works practice and operations. The recipient must have demonstrated loyalty and devotion through service to the citizens of the community in which he or she faithfully serves.

The award of merit recipient shall be a current member of the Missouri Water and Wastewater Conference and directly associated with water treatment, wastewater distribution and/or wastewater treatment.

Selection Committee: The selection committee for the MWWC award of merit shall be made up of the five immediate past recipients of the award. The chairman of the committee is the third most recent recipient.

The award reads, "In recognition of outstanding leadership in the field of water and or wastewater practice and for loyalty and devotion to the citizens of the community that he or she faithfully serves."
