Call for Presenters

Opportunities are available to present at MWWC's Annual Technical Program, September 18, 2024 in Columbia, MO. The theme for the event is: *Operators Matter – Expect Perfection*. Both water and wastewater topics are welcome. **Please complete the following information and return it to sandi.miller@mwwc.net with short bio and a copy of your slide presentation or handouts on or before May 1, 2024.**

Both the Missouri Department of Natural Resources and the MWWC ask that presentations be training in nature and that they do not promote a specific company, product, or brand. Company name and contact information may appear on the front and last slides only.
