

# Missouri Water & Wastewater Conference

## NW Section Meeting Social Meet & Greet Event

# Welcome To All!

Mr. Mark Peden of “Brotcke Well & Pump, Inc.” is sponsoring and hosting this social event. Mark is cordially inviting all attendees, including operators, vendors, program speakers, and guests to attend this pre-meeting event. Plan now to attend and enjoy an evening of relaxation and fellowship. There are surely many stories to share that have occurred since last year’s section meeting. Plan to attend because Mark, the Section Officers, and the volunteer worker’s committee are looking forward to visiting with you.

The “meet and greet” will be on the evening of April 1st, 2026 at the Stoney Creek Hotel & Conference Center in St. Joseph, Missouri. Mark has reserved the Conference Center’s highly accommodating lounge area for a 2 hour period of time which is 5:00 p.m. through 7:00 p.m. **Please RSVP if you plan to attend.** **Return this form with your section meeting registration form.** If you’re a vendor please indicate the number of people attending from your booth. If you are an operator or speaker please indicate if you have a guest or spouse that is accompanying you.

If you are unable to attend this event you do not need to return this page with your registration.
