

## **MARSHALL MUNICIPAL UTILITIES**

### **Wastewater Treatment Plant Operator**

Ready to take the plunge into a rewarding career where you can make a positive impact on the environment and community? We are seeking a skilled and dedicated Wastewater Treatment Plant Operator to join our MMU team, where we offer the opportunity to learn and grow through on-the-job training (OJT). As a leading wastewater treatment facility, we are committed to ensuring the safe and efficient treatment of wastewater, protecting our local waterways, and promoting a healthier future for all.

Responsibilities include:

- Operate and maintain various pumps, holding facilities, and equipment in a wastewater treatment plant and pretreatment facilities.
- Employ operating procedures and treatment methods per industry standards.
- Conduct land application of biosolids.

Requirements include:

- High school diploma or equivalent
- Possess and maintain a valid Missouri Driver's License
- Missouri Class B CDL (may be obtained after hire)
- Missouri wastewater treatment operator certification (may be obtained after hire)

Join our team and you'll enjoy a competitive compensation and benefits package. To apply, please submit a completed MMU employment application. Applications are available in Adobe Acrobat (.pdf) format on our website: [www.mmumo.net](http://www.mmumo.net). Applications are also available at: MMU business office, 75 E Morgan, Marshall, MO 65340.

MMU is an Equal Opportunity Employer (EOE).
