

The Missouri Department of Natural Resources is Hiring a Water Specialist with either wastewater treatment or drinking water experience. This professional position is located in Kansas City, MO with the Department's Kansas City Regional Office. This unique opportunity helps provide technical assistance and training to wastewater utility professionals.

Applicants will preferably possess:

- Four years of in-plant actual operating experience in the operation and maintenance (O&M) of a wastewater treatment plant or public drinking water treatment system, with two of those years at a facility classified by the Department as a level "A", "B", or "C" or equivalent.
- Missouri Class "A", "B", or "C" certificate of competency for wastewater treatment or drinking water treatment.

Salary begins at \$46,800 annually.
